Summary: Sequel to You Found Me. Penelope had no selfconfidence & no one thinks she will change. But can a certain guy with a green hat change her? And tell her how he feels at the same time?

PopRocks&Coke

****A/N: ****This is a CapPen story. It's the sequel to You Found Me. I hope you like it!

****Disclaimer: ****I do not own PopRocks&Coke or Hamtaro.

*******Wherever you go
>You know I'll be there
If you go far,
>You know I'll be there
I'll go anywhere"******

Penelope sighed. All the girls had boyfriends & they were very close. But everyone ignored Penelope. She was just the clubhouse 'whatsername'. The girls excluded her & the guys ignored her. "Perfect." She muttered, stepping outside. Cappy followed her.

"HEY PENELOPE!" Cappy said.

"So I'll see you there
>You place the name
You know I'll be there
>You name the time
You know I'll be there
>I'll go anywhere
So I'll see you there"

Penelope almost shrieked with surprise! No one ever said her name. "Cappy?" she asked.

"Yeah, Iâ€| can I talk to you?" he asked, starting to walk with her.

"Shoot." Penelope said.

"It's justâ€¦ Iâ€¦ your acting like Sandy!" Cappy exploded.

"I'm _what_?" Penelope asked. Sandy had gone through a faze where she had 0 self confidence & she thought there was nothing good about herself. It was downright obnoxious!

"I don't care if you don't mind
>I'll be there not far behind
I will dare
>Keep in mind
I'll be there for you"

"Your acting like no one even cares if you exist & they do! And I for one I'm sick of it! Maybe if you started acting more self-confident, people _would _notice you." Cappy said.

"I think your right Cappy." Penelope admitted, & then she did something she never did. She let her hair down.

"Where there's truth
>You know I'll be there
Amongst the lies
>You know I'll be there
I'll go anywhere
>So I'll see you there"<p>

She hugged him. "_You _are the best friend ever!" she said. "Thank you Cappy!" Then she ripped off the bottom of her long skirt making it a mini skirt (You know that commercial where she spills mustard on the bottom & rips the bottom of the skirt off?) & took off her sweater & left the tube top on. Then she walked away, making everyone stare.

"And I'll always be there for you." Cappy whispered as she walked away.

"**I don't care if you don't mind
>I'll be there not far behind
I will dare
>Keep in mind
I'll be there for you"**

"Um Cappy?" Stan said, coming out from behind a bush where him & Pashmina had been making out.

"Yeah?" Cappy asked.

"That kind of would have been the perfect time to tell her." Stan said.

"I guessâ€¦"

"SO GO TELL HER YOU IDIOT! DON'T JUST STAND AROUND HERE & WAIT FOR THE END OF DAYS!" Stan yelled.

"I think I will. Thanks Stan!" Cappy said, running off.

"No problem dude!" then he went back to previous activity.

"I don't care if you don't mind
>I'll be there not far behind
I will dare
>Keep in mind
I'll be there for you"

"PENELOPE! WAIT!" Cappy yelled.

Penelope stopped. "Yeah?" she asked.

"Back there, there was a second thing!" Cappy said, breathlessly.

"What?" she asked.

"This." Cappy said, kissing her on the lips.

When he pulled away he asked, "Was that your answer?"

"No, this is." Penelope said, wrapping her arms around his neck & kissing him again.

"I don't care if you don't mind
>I'll be there not far behind
I will dare
>Keep in mind
I don't care
>I'll be there for you
I'll be there for you"

**A/N: **And thus, the end of the five oneshots. I'm sorry, no sequel to this! Did you like it? Well, in your review, tell me! points to review button
